**LOCAL QUINCY BUSINESS OWNER GATHERS HIGHEST DOLLAR AMOUNT IN DONATIONS FOR
MUSCULAR DYSTROPHY ASSOCIATION:**

Wendy Simmons, President of Prism Energy Services, raises money to support MDA.

December 2, 2009--Quincy, MA: It isn't often that your boss gets taken away in a police car, lights blazing, but that's just what happened at Prism Energy Services this Wednesday when President Wendy Simmons was placed under arrest by the Muscular Dystrophy Association for having a big heart!

Wendy and 59 others from the surrounding Quincy community were dubbed "jailbirds" and locked up by the local QPD, QFD, MA State Police, and Norfolk County Sheriff's Department on behalf of MDA and Jerry's kids. Each jailbird's goal was to raise \$1600 "bail" through donations from friends, family and acquaintances toward a cure for muscular dystrophy.

The event was held at the Fours Restaurant and, instead of jail cells, there was plush booth seating, instead of bread and water, there were Bobby Orr Steak and Cheese subs. Life is hard behind bars!

With a resounding \$38,000+ raised for MDA, Ms. Simmons (Prism Energy Services) was the top donation gatherer; raising over \$2100 for the cause. These donations will help to fund flu shots, research, support group sessions, summer camp, wheelchairs and leg braces for children and families with muscular dystrophy. Additional donations can be made to MDA at 10 commerce way in Raynham, MA 02767.

Prism Energy Services works directly with customers to reduce their utility costs and emissions through energy efficiency, discounted utility purchasing and renewable energy solutions.
